

Bill Gray Memorial Scholarship

Industrial Technology Student of the Year

The Bill Gray Memorial scholarship is given to an outstanding Industrial Technology student in California. Bill Gray was a leading figure in Industrial Technology Education in the state of California. He was a woodworking, cabinetmaking and masonry instructor at Schurr High School in Montebello California. He was a ROP Director in Montebello Bill was a highly decorated teacher and administrator who over the years received every award the California Department of Education and CITEA could award including the coveted Sam Maloof Award. Bill headed up several projects for the California Department of Education including the CITEC project administered at LACOE. He also led the writing committee for the California Construction Standards. It's CITEA distinct pleasure to award the Bill Gray Memorial scholarship, in the amount of \$500, to an outstanding high school Industrial Technology student.
