Please include 3 letters of support. One must come from the principal administrator of your school or institution, one can come from the chair of your program advisory board, or from any of the following sources:

CITEA Chapter, Section or State Leaders Business or Industry Leaders
Professional Colleagues of the Nominee Community Leaders
School or District Administrators Former Students

Please provide as much documentation as possible for the following criteria, using attached sheets, to assist the committee in making its selection. In addition to the criteria listed under "Teacher of the Year", the Program Excellence award will be based on:

1. Evidence of outstanding curriculum design and integration.
2. A curriculum that reflects academics as well as, but not subservient to, technical content.
3. Laboratory facilities that are well designed, well maintained, and reflect current technologies.
4. Strong connections between the program and local businesses and industries.
5. Presence and activities of a student club that focuses on the students in the program.
6. Participation of program students in local, regional, and/or statewide competitions.
7. A strong advisory board that meets regularly to advise and support the program.

This candidate is being nominated by:

Name: _____ Chapter/Section: _____
