Use this nomination form for this Award

Name of Program _____

Name of Community College _____

School Address _____ Zip _____

School Phone () _____

Instructor Name _____ School Phone () _____

CITEA Member? _____ ITEEA Member? _____

Home Address _____ Zip _____

Areas Administered or Taught _____ Grades _____ Years' Experience _____

Please include 3 letters of support. One must come from the principal administrator of your school or institution, one from the chair of your program advisory board, and the other from any of the following sources:

CITEA Chapter, Section or State Leaders
Professional Colleagues of the Nominee
School or District Administrators

Business or Industry Leaders
Community Leaders
Former Students

Please provide as much documentation as possible for the following criteria, using attached sheets, to assist the committee in making its selection. In addition to the criteria listed under "Teacher of the Year", the Program Excellence award will be based on:

1. Evidence of outstanding curriculum design and integration.
2. A curriculum that reflects academics as well as, but not subservient to, technical content.
3. Laboratory facilities that are well designed, well maintained, and reflect current technologies.
4. Strong connections between the program and local businesses and industries.
5. Presence and activities of a student club that focuses on the students in the program.
6. Participation of program students in local, regional, and/or statewide competitions.
7. A strong advisory board that meets regularly to advise and support the program.

This candidate is being nominated by:

Name: _____

Chapter/Section: _____

Email: _____

Home Address: _____

Phone (____) _____

Note: Currently-serving Board Members of CITEA or CITEAF are not eligible for this award
